Dear Harold,

45 LAWSON DRIVE
MADISON CT. 06443
(203) 245-4448
APRIL 12, 1990

Thank you for your
letter of 4/8. I was

so sorry to hear about your fall, & hope
that you will be up & around soon!

All that I have on William Ottumans is:
3pp, notes on meeting with Ottumans, 4/9/69;
2pp, AP piece by John Hengel, a 7/1/69 letter
from Ottumans which begins, "Dear Bird... Best?";
Yale 1950 classbook & reunion data. If
you have more than the above, then the Ottumans
file is of interest to me, as well.

I have 3-4 pp on Kimsey; do you want
copies? Do you know his dates of birth &
death?

My interest in George de M. is with regard
to his life & that of his family (father, brother
& other relatives/ancestors... as well as friends
& associates (personal & business)). Since my
FBI data is merely 1964 extracts from original
case files, your complete George de M. file will
be of great value to my endeavor. I will mail
you a check for copy costs & postage as soon as
the material arrives. Best wishes, Peggy
